

1. Obey all safety procedures.
2. Avoid distractions while operating the moving vehicle just as you would in an automobile. Be safe and attentive at all times.
3. Drivers and all passengers should keep all body parts inside the cart while the vehicle is in motion, except when signaling a turn.
4. ALL passengers must be seated/ only carry the number of passengers for which there are seats for.
5. Operate the vehicle from the driver's side only.
6. Always use hand signals to indicate your intent to turn due to the small size and limited visibility of the turn signals. Always check your blind spots before turning.
7. Carefully turn and look behind you before backing up.
8. Avoid sharp turns at maximum speed, and drive straight up and down slopes to reduce the risk of passenger ejections and/or rollover. Avoid excessive speed stops and fast turns.
9. Do not leave keys in moving vehicles while unattended and make sure the parking brake is set. .
10. Use extreme caution in inclement weather. DO NOT OPERATE moving vehicles in extreme weather conditions.
